Dated 14th October 1954.

[Despatch Abstract]

adras ducational ubordinate ervice--ri.T.Lakshminarayana Rao--Personal Assistant to the District Educational Officer, South Kanara--Exemption from passing the special Language Teast--Ordered in relaxation of rules.

From

Sri T. Lakshminarayana Rao, B.A.,L.T.,
Personal Assistant to the
Dt. Educational Officer,
South Kanara, Mangalore.

To

The Secretary to Government,
Department of Education,
Madras.

Through

The Dt.Educational Officer,
South Kanara, Mangalore.

Sir,

I beg to submit the following for your sympathetic consideration and favourable orders.

2. I am a permanent incumbent in II grade of the combined cadre of School Assistants and Deputy Inspectors in the scale of pay 85-5-125-10-175 and my present pay is Rs.115/-. As per existing rules I have to pass an additional language test for officers of the Education Department, higher standard so as to earn my increments above Rs.115/-. I made two honest attempts to pass this Test taking up Hindustani in Nagari Script, but failed. My failure in the examination is mainly due to the fact that I could not answer the paper in this script with the speed necessary to complete the question paper at this age and stage of my life. I am therefore now stagnating at Rs.115/-.

3. On my promotion to the combined cadre of School Assistants and Deputy Inspectors in 1945, I attempted to study Telugu when I was officiating as School Assistant, Government Training School Hospet in Bellary District. Since I was retransferred to this District after about 6 months, I lost all the facilities I had at Hospect to learn Telugu. Afterwards when I was Deputy Inspector in Kasargod Range which is a bilingual area I began to study Malayal Unfortunately for me, I worked there only for a few months and then got several transfers to conduct Adult Education Training centres in several places in this District and also in Ananthapur. So finally in 1951 when Hindustani in Nagari Script was included as one of the languages to be passed, I began to study Hindi. Now that I am over 52 years of age. I am handicapped by lack of writing-speed for examination purposes.

4. In this connection I may be permitted to bring to your kind notice that I have only 2 years and 10 months more to retire from service and that the withholding of the four increments for not having passed an additional language test imposed at a certain stage in the time scale of pay in which I am appointed, will deprive me of a portion of the pension which I should have otherwise earned for my hard and honest service of 29 years in the Department. Further I beg to add that subordinate officers of the Education Department who are promoted to the Gazetted rank after the age of 4 are exempted from passing the Account Test for Gazetted Officers an I pray that similar concession may also be extended to officers in the Subordinate Educational Service in respect of this additional language test.

5. On kind consid[illegible]ation of my age and long service in the Department and in view of [illegible]he fact that the officers in the Subordinate Educational Servi[illegible] are generally transferred on the regional language basis, I pr[illegible] that I may kindly be exempted from passing the Language Test and[illegible]rmitted to draw my increment above Rs.115/- in the time scale of [illegible] mentioned above.

Mangalore,

Yours faithfully,

Sub: Exemption from the language test, Higher Standard; prescribed for Subordinate Officers of Education Department - Reminder - Submission of -

***

I beg to state that on 18.9.1953, I submitted an application for exemption from passing the language test prescribed for Subordinate Officers of the Education Department to draw increments above the stage of Rs.115/- in the time scale of pay of Rs.85-5-125-10-175 submitting the following points for kind consideration.

1. That I am over 52 years of age and lack the writing speed in the new language required for answering the questions within the prescribed time, although I have attained the required standard for passing the test and so I failed in my two attempts made to pass the test in December, 1952 and June, 1953.

2. That Gazetted Officers promoted to that Cadre after the age of 45 are exempted from the prescribed tests in consideration of their age and since I got my promotion to this cadre after the age of 45 a similar concession may also be granted to me.

3. That now transfers of Subordinate Officers are made on linguistic basis and so possessing knowledge of the S.S.L.C. standard in a second language is not necessary under the present circumstances.

4. That the question of abolishing this test has been under the consideration of the Government as indicated in the reply to the memorial submitted to Government by the Subordinate Officers of this Department in 1952, stating their several grievances.

5. That I have less than three years to retire and the stoppage of the increments after the stage of Rs.115/- adversely affects my pension to be fixed on my retirement in July, 1956.

I have not been favoured with any orders so far on this petition. this connection I beg further to submit that I got my promotion to the combined cadre of School Assistants and Deputy Inspectors after about 20 years of service in the Department viz., about 12 years as Secondary Grade Teacher and about 8 years as Junior Deputy Inspector and School Assistant under emergency provision.

I am now ineligible to draw the increment due on 1.1.1954 also. I therefore pray that early orders may kindly be passed exempting me from passing the said test in kind consideration of the several facts enumerated above.

Sir,

Sub: Madras Educational Subordinate Service - Exemption from passing the language test - Request.

***

I beg to state that I submitted petitions dated 18.9.53 and 10.1.54, requesting that I may kindly be exempted from passing the language test prescribed for Officers of the Subordinate service of the Education Department representing the following facts:-

(1) that I am due to retire on 22.7.1956 and my increments due on 1.1.1953 and 1.1.1954 beyond the stage of Rs.115/- in the scale of pay 85-5-125-10-175 have been withheld for not passing the abovesaid test.

(2) That since transfers are made on regional language basis nowadays, qualifying oneself in a second language of the Presidency may not be insisted upon at least in the case of aged persons like myself.

(3) That I appeared for the said test taking up Hindustani in Nagari script twice and was not successful since I lack the necessary speed to write answers of the required standard within the time limit allowed for the paper.

(4) That Officers of the Gazetted rank of this Department promoted to that cadre after attaining the age of 45 years are exempte from passing the prescribed tests and since I was promoted to the combined cadre of School Assistants and Deputy Inspectors after that age, a similar concession might also be extended to me.

(5) That I have put in nearly 28 years of unblemished service in the Department and on kind consideration of the same, I might be granted at the fag end of my service exemption from passing the test which has put me to pecuniary loss, and is also adversely affecting the pension that I am to get after two years.

On the the Government in their Memo.62537/53 E 1 - 1 dated 5.3.1954, are pleased to order that the matter is under their consideration. A copy of this order is enclosed for ready

P.T.O.

for ready reference. It is now over 5 months and I have not so far received any further orders, and each month I am put to much pecuniary hardships due to withholding of two increments as stated above in these hard days of high cost of living.

Again as per G.O. 410 dated 22.3.54, language test in Hindustani in Nakari Script has been abolished and I am therefore obliged either to learn a new script,; Urdu or a new language Tamil, both of which are really difficult and practically impossible at my present age of 53 years.

I therefore pray that the benign Government may graciously be pleased to pass early orders granting me the exemption prayed for, for which I shall ever be grateful.

Yours faithfully,

Ref: From Sri. Lakshminarayana Rao, petition dated 18-9-53 From the D.P.I. No, Rc. 1108/C4/53 dated 12-11-53.

According to Rule 14(a) of the Special Rules for the M.E.S.S. ~~Rules~~, the Deputy Inspectors of Schools (Senior Scale) or School Assistants and Headmasters will not be eligible to draw increments above the stage of Rs. 115/- (in the scale of Rs. 85-5-125-10-175 applicable to the posts) unless and until they have passed the Deputy Inspector's Test and the Special Language Test for Officers of the Education Department, Higher Standard; but such ineligibility for increments shall not operate to postpone future increments after they have passed the tests.

2. Sri. T. Lakshminaryana Rao, B.A.,L.T.,(Personal Assistant to the D.E.O, South Kanara) was promoted in 1945 to the combined cadre of School Assistants and Deputy Inspec in which cadre, he is now ~~said to~~ holding a permanent post. He has not yet passed the Language Test prescribed. In his petition to Govt. at page 3 c.f., he has represented that ever since his promotion in 1945, he ~~has~~ ~~been~~ making several attempts to pass the Test, and that, however, the attempts had to be given up in view of his being transferred frequently from one place to another. He states that, in 1951, he finally took up to studying Hindustani, when that was recognised as one of the languages that could be offered for the test ~~and~~ but he finds that he has no writing speed in that language ~~He does not appear to have attempted passing the test by taking this language even~~ for examination purposes. ~~In his petition, he now represents that as he is now over 52 years of age, he lacks the necessary speed for writing the examination and~~ He requests that in consideration of his age and long service, he may be exempted from passing the language test with a view to enable him to draw increments in the time-scale above the limit of Rs. 115/- at which he is now stagnating. He adds that his failure

~~pass the Language Test will deprive him of a portion of his pension~~ to pass the language test, at this stage of his life, when he has hardly 2 years and 10 months to retire, will (otherwise) deprive him of his pension. In support of his request, he states that officers of the Education Dept. who are promoted to the Gazetted rank after the age of 45, are exempted from passing the account test and requests that (similar) concession may be extended to him ~~also~~. The D.P.I. does not however recommend his request.

3. ~~In connection with a similar case,~~ Recently, ~~in this one~~ Sri. G. Aiyaswami, a Secondary Grade Teacher in the Harijan Welfare Dept. requested exemption from passing the Account Test with a view to his being regularly appointed to the post of Junior Dy. Inspector of Schools. The D.P.I. remarked that a certain degree of strictness and rigidity is desirable in the interests of efficiency in the matter of passing these tests and that exemptions should be rare exceptions. ~~This Dept.~~ Secretary (agreed with that view and also) observed in that connection as follows: "I consider that people who have not passed the tests even within the general period ~~xxxx~~ allowed should not be continued under the emergency provisions but should revert so that there may be effective pressure on them to do better and pass the tests at the next examination. It is therefore, desirable to maintain the existing position so that they may all realise that they will put themselves to great trouble if they do not pass the test within ~~xx~~ the ~~xxxx~~ period." In that case, the petitioner, ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ Sri. G. Aiyaswami was however granted exemption, as a special case, in consideration of the fact that he was a Harijan, apart from his (advanced) age. There does not appear to be any (such) special reason in favour of Sri. Lakshminaryana Rao for granting ~~any such~~ exemption ~~in his case.~~

4. In the circumstances, it is for orders whether the request of Sri. Lakshminarayana Rao ~~deserves any consideration.~~ may be rejected. Subject to orders a draft memo. is (Sub)

Please examine whether in the changed circumstances after the partition there is need for the language test even for purpose of crossing Rs 115/-

C.No 62937/53.

Sub: M.E.S.- Sri T. Lakshminarayana Rao- P.A. to the D.E.O. South Kanara-Exemption from passing the Language Test-Request.

Ref: From Sri Lakshminaryana Rao, petition dated 18-9-53. & 12.8.54.
From the D.P.I. No.Rc.1108/C4/53 dated 12-11-53.

According to Rule 14(a) of the Special Rules for the M.E.S.S., the Deputy Inspectors of Schools (Senior Scale) or School Assistants and Headmasters will not be eligible to draw increments above the stage of Rs.115/- (in the scale of Rs.85-5-125-10-175 applicable to the posts) unless and until they have passed the Deputy Inspector's Test and the Special Language Test for Officers of the Education Department, Higher Standard; but such ineligibility for increments shall not operate to postpone future increments after they have passed the tests.

2. Sri T. Lakshminarayana Rao, B.A., L.T., (Personal Assistant to the D.E.O., South Kanara), was promoted in 1945 to the combined cadre of school Assistants and Deputy Inspectors, II Grade; in which cadre, he is now holding a permanent post. He has not yet passed the Language Test prescribed. In his petition to Govt. at page 3 c.f., he has represented that ever since his promption in 1945, he was making several attempts to pass the Test, and that, however, the attempts had to be given up in view of his being transferred frequently from one place to another. He states that, in 1951, he finally took up to studying Hindustani, when that was recognised as one of the languages that could be offered for the Test, but that he finds that he has no writing speed in that language for examination purposes. He requests that, in consideration of his age and long service, he may be exempted from passing the language test

lme-scale, above the limit of Rs.115/- at which he is ow stagnating. He adds that his failure to pass the anguage test, at this stage of his life, when he has ardly 2 years ~~and 10 months~~ to retire, will otherwise eprive him of his pension. In support of his request e states that officers of the Education Department who re promoted to the Gazetted rank after the age of 45, re exempted from passing the Account-Test and requests hat a similar concession may be extended to him. The .P.I. does not, however recommend his request.

3. In connection with the request of ri G.Ayaswami, Junior Dy.Inspector, for exemption from assing the Account-Test, the previous Secretary emarked that people who have not passed the test ithin the general period allowed should not be continued under the emergency provisions but should revert o that there might be effective pressure on them to do etter and pass the tests at the next examination.

4. In the present case, the petitioner is lready 53 years of age and has hardly 2 years of ervice. (He is due to retire on 22-7-1956). He is tagnating at the stage of Rs.115/- in the scale of s.85-175 for failure to pass the Language Test. If he ~~were~~ not allowed exemption from passing the Test now, is pension would be affected. It seems It would be too much o expect him to pass the test at the wrong side of is age. In a similar case the Government granted exemption as a special case to one Sri K.Venkatarama Sastry a Jr. Dy. Inspector of Schools, who was likewise 53 years of age and who had failed to pass the Account-Test. In the circumstances, it is for consideration whether the petitioner may be exempted as a special case, ~~from~~ passing the test, by relaxing the rules.

5. Public (Services) & Finance may see for remarks.

It seems that exemption may be granted in view of the fact that he has only two years more to serve.

Finance (E I)

The file deals with the request of Shri T. Lakshminarayana Rao, Personal Asst. to the D.E.O. South Kanara for exemption from passing the Language Test for officers of the Education Deptt, Higher Standard. The notes of H.E.L.A. on pp. 5-6 above, which examine the case, may be perused. In view of the fact that the petitioner has only two years more to serve, H.E.L.A. propose to grant exemption, as a special case, from passing the test, by relaxing the rules.

Pub(Ser) agree to the proposal.

Submitted that H.E.L.A. propose to grant exemption in view of the precedent in G.O.Ms. No. 950, Edn, dt 7-7-54. The precedent cited was not seen in this deptt. Attention is invited to the notes of H.E.L.A. at Mn 3-4 NF of

G.O. Ms. No. 950, Education dated 7-7-54. In that case the D.P.I. did not specifically recomend the request of the petitioner. But H.E.L.A. considered that he can be granted exemption as he had only two more years to retire. In the present case also, the D.P.I. has not recommended. In the circumstances, Finance may advise against the exemption (being granted) ~~on the analogy of the orders in G.O. 950 Education dated 7-7-54~~. This Department may for the reasons stated at 'A' on page 3 N.F. of G.O. 950, Education, dated 7-7-54 suggest that exemption of this kind should not be given. If H.E.L.A. wish to press, they may be asked to take orders in circulation including M (F & E).

A on p. 3 NF has great force, but in the case of persons who are on the verge of retirement as in this case, some consideration is justifiable. Orders may be taken in C.C.

Summarising Note for Circulation.

The proposal in this file is to relax, as a special case, the relevant provisions in the Special Rules for the Madras Educational Subordinate Service in favour of Sri T.Lakshminarayana Rao, Personal Assistant to the District Educational Officer, South Kanara, with a view to exempt him from passing the Special Language Test prescribed for officers of the Education Department, Higher Standard, and thus enable him to draw increments above the stage of Rs. 115/- in the scale of Rs. 85-5-125-10-175, at which he is now stagnating for failure to pass the test. The relaxation

6 Rule 14(a) of the Rules for [illegible] Rules for [illegible] MK 11/4

has been recommended by this Department, as a special case, in consideration of the fact that the officer is already 53 years of age, that it cannot be expected of him to pass the test at this age and that similar permission has been granted in the case of one Sri. K. Venkatarama Iyer, a Junior Deputy Inspector of Schools Public (Services) agree to the proposal. Finance state that though the orders referred to in the note at 'A' on page 3 n.f. G.O No. 950 Edn. dated 7-7-54 have great force, some consideration is justifiable in the case of persons who are on the verge of retirement and that, therefore, orders may be taken in circulation. M. (F & E) has recently minuted that relaxation of rules should be done only in very special cases. In view of 'A' above it is for orders whether the rules may be relaxed in this case as a special case.

The file may be circulated to M (F & E) for for orders.
